SUBJECT: HPSCI Subcommittee on Program and Budget Authorization
Hearing Schedule

1. On 28 December 1983 I met with Jim Bush, at his request, to discuss the HPSCI Budget Subcommittee schedule for its forthcoming hearings. Attached is an advance and unofficial schedule given me by Bush, for consideration of the FY 1985 National Foreign Intelligence Program and Tactical Intelligence Related budget requests. Bush asked that this schedule be treated as unofficial, but emphasized that the dates are firm, since they have been coordinated with key HPSCI members and approved by Chairman Boland in his capacity as chairman of the HPSCI Budget Subcommittee and as chairman of the Subcommittee on HUD - Independent Agencies, House Appropriations Committee.

2. Letters formally advising the DCI and Secretary of Defense of the FY 1985 hearing schedule will be forthcoming. Until official notification is received, this schedule should be considered informal.
